

**Zoning Report
11-20-18**

1. No new Zoning Permits requested or issued.
2. The next meeting of the Architectural Review Board will be Monday, December 3rd, 2018 with discussion at 7 and meeting at 7:30 at village hall. Two items currently submitted for review: 1. sign application for 202 S. Main St. which does not meet code due to internal illumination and 2. Sign application for 5 W. McKinley Way for a monument and a wall mount sign.
3. The planning commission meeting scheduled for Wednesday October 17th 2018 was cancelled due to lack of a quorum. The next meeting is scheduled for December 19th 2018 at 7 at Village Hall. I plan on addressing the board on the growing number of requests for permission to allow micro blading. We have had 3 requests in the last 2 years. Up to now they have been in request to permanent makeup but the county health department makes no distinction between that and tattooing.
4. Request from a realtor came in for records/info dealing with use restriction on 106 Cover and adjoining vacant lots and possible variance/replat concerning same.
