Police

We did not have to purchase a vehicle this entire year. Our 2010 Charger is due to be replaced in 2018. I will start pricing a replacement. The vehicle will be purchased with confiscated drug money. No cost to the tax payers.

Streets

I was advised Friday, 12-15-17, at 4:00 P.M. that Richard Ducau was retiring effective 12-29-2017. Rich has been a great employee whose shoes will be impossible to fill. His replacement will have to be multifaceted or at least willing to learn the following:

- A) Snow plowing.
- B) How to run and maintain all village equipment.
- C) Strong work ethic.
- D) Be available for call-outs.
- E) Mechanical ability.
- F) Good health.
- G) Able to repair and maintain village owned buildings.
- H) Able to deal well with others.
- I) Be flexible!
- J) Dependable.

Even though we will be extremely short-handed we really need to concentrate on finding the correct long-term employee.
